New York Science Journal

(*N Y Sci J*)
ISSN 1554-0200

New York Science Journal is published bi-linguistically with Chinese and English for the scientists and Engineers. The journal aims to present experimental and theoretical findings of science and engineering and to report on advances in technologies of multidisciplinary subjects. The journal was founded in 2008 by Marsland Press. The Editor-in-Chief, Deputy Editor and editors have backgrounds in Philosophy, Science, Technology and Engineering, etc. This interdisciplinary team is ultimately suited for facilitating the publication of the best of your research work. The journal welcomes manuscripts from all fields in science and engineering research. Papers submitted could be reviews, objective descriptions, research reports, opinions/debates, news, letters, and other types of writings that are nature and science related. Manuscripts submitted will be peer reviewed and the valuable papers will be considered for the publication after the peer review. Authors are responsible to the contents of their articles.

ISSN 1554-0200

The international academic journal, “New York Science Journal” (ISSN: 1554-0200), is registered in the New York of the United States, and invites you to publish your papers.

Any valuable papers that describe natural phenomena and existence or any reports that convey scientific research and pursuit are welcome, including both natural and social sciences. Papers submitted could be reviews, objective descriptions, research reports, opinions/debates, news, letters, and other types of writings that are nature and science related. Manuscripts submitted will be peer-reviewed and the valuable papers will be considered for the publication after the peer review. There is no charge for the manuscript submissions.

Here is a new avenue to publish your outstanding reports and ideas. Please also help spread this to your colleagues and friends and invite them to contribute papers to the journal. Let's work together to disseminate our research results and our opinions.

Papers in all fields are welcome, including articles of natural science and social science.

Please send your manuscript to: sciencepub@gmail.com
