

CONTENTS

- | | | |
|-----------|---|----------------|
| 1 | Current Situation of Edible Vegetable Oils and Some Propositions to Curb the Oil Gap in Egypt
Monia Bahaa El-Din Hassan and Fatma Ahmeed Sahfique | 1-7 |
| 2 | A new report of the species <i>Balanophora dioica</i> in Koubru Hill Range of Manipur, India.
Lunminlal Kipgen, Khuraijam Jibankumar Singh | 8-11 |
| 3 | Consumer Perceptions, Knowledge and Preferences for Aromatic Rice Types in Ghana
Diako, C. , Sakyi-Dawson, E., Bediako-Amoa, B., Saalia, F.K. and Manful, J.T. | 12-19 |
| 4 | Some growth metabolites of two cyanobacteria species as affected by mineral nutrition
El-Sayed, A.B; El Fouly, M.M; Ghazy, S.M; El Semary, N.A and Hassoub, M.A | 20-28 |
| 5 | Genetic Variability Assessed by Competitive Ability and ISSR Markers in the Members of the <i>Nasuta-albomicans</i> Complex of <i>Drosophila</i>
THONGATABAM BIJAYA & NALLUR B RAMACHANDRA | 29-42 |
| 6 | Broad Spectrum Antimicrobial Activity of <i>Psidium guajava</i> Linn. Leaf
Egharevba, Henry Omoregie; Iliya, Ibrahim; Ibekwe Nneka; Abdullahi, Makailu Sabo; Okwute, Simon Koma; Okogun, Joseph Ibumeh | 43-50 |
| 7 | Market Balance of the most Important Egyptian Agricultural Commodities under the Economic Reform Policy
Nayera Y. S., Soheir M. M. and Hamdia M. M. | 51-60 |
| 8 | Scaly Scalp in Different Dermatological Diseases: A Scanning and Transmission Electron Microscopical study.
Amr A. Rateb, Wafaa E. Abdel-Aal, Nermeen M. Shaffie, Rehab M. Sobhi and Faisal N. Mohammed | 61-69 |
| 9 | Performance of Yam as an Alternative to Frozen Potato French Fries
Quansah Joycelyn K. Firibu K. Saalia, Lawrence Abbey, George A. Annor. | 70-78 |
| 10 | Assessing possible Different routes of HCV transmission
Mosa TE, Abd Elmaksoud MD Hawas M; Abo-Zeid MM. | 79-84 |
| 11 | IR Spectroscopic Analysis of Polymorphism in Diphenyl Carbazide
F. El-Kabbany, S. Taha and M. Hafez | 85-95 |
| 12 | A Study on Fish Marketing System in Swarighat, Dhaka, Bangladesh
Md. Jobaer Alam, Rumana Yasmin, Arifa Rahman, Nazmun Nahar, Nadia Islam Pinky, Monzurul Hasan | 96-103 |
| 13 | Climate Warming Studies in Alpine Habitats of Indian Himalaya, using Lichen based Passive Temperature-enhancing System
Himanshu Rai , Pramod Nag , D.K. Upreti , Rajan K Gupta | 104-106 |

- | | | |
|-----------|--|----------------|
| 14 | Inhibitory interactions of glutathione derivatives, coumarins and quercetins with dominant onion bulb glutathione S-transferases: a structural analysis
M. M. Rohman, M. D. Hossain and Masayuki Fujita | 107-114 |
| 15 | Monitoring Land-Cover in the New Reclaimed Area: A Case Study in EL-Nubaria, Egypt
Abou-Hadid A. F., M.A. A.Abdrabbo, A.A. Khalil and M. K.Hassanein | 115-122 |
| 16 | Microsatellite allele size profiling to determine varietal identity and genetic diversity among groundnut varieties in Bangladesh
MR Molla, MN Islam, MM Rohman and L Rahman | 123-129 |
| 17 | Correlation between Academic Cheating Behavior and Achievement Motivation
ADEBAYO Sulaiman Olanrewaju | 130-134 |
| 18 | Adaptive Neuro Fuzzy Inference Systems for Dynamic Qualitative Modeling of Process
Tharwat O. S. Hanafy | 135-143 |
| 19 | Biodegradation of Polycyclic Aromatic Hydrocarbons (PAHs) in the Rhizosphere Soil of <i>Cyperusconglomeratus</i>, an Egyptian Wild Desert Plant
Ali Diab and Maram Sandouka | 144-153 |
| 20 | Can Irritable Bowel Syndrome Hide An Organic Disease?
Abd el Fatah, A, Abd El Fatah, Engy Yousry ElSayed, Amal shawky Mohamed, Enas M Foda, khald AH Mohamed and Gamal M Naga | 154-157 |
| 21 | Osteodystrophy in Hepatitis C virus Related Cirrhosis
Khaled Z. El Karmouty, Marcel W. Keddeas , Engy Y. ElSayed | 158-163 |
| 22 | The Protective Role of Folic Acid, Vitamin B12 and Vitamin C on The Mutagenicity of The Anticancer Drug Ifosfamide
Souria M. Donya, Fawzia A. Aly, Mona A. M. Abo-Zeid | 164-174 |
| 23 | Diminution Of Aflatoxicosis In Tilipia Zilli Fish By Dietary Supplementation With Fix In Toxin And Nigella Sativa Oil
Mona S. Zaki ; Olfat M. Fawzi; Suzan Omar; medhat khafagy; mostafa fawzy and Isis M. Awad | 175-180 |
| 24 | Effect of salt stress on some defense mechanisms of transgenic and wild potato clones (<i>Solanumtuberosum</i> L.) grown in vitro
Amal A. Mohamed, Mohamed A. Matter and Mahmoud M. Saker | 181-193 |
| 25 | The Role Of Natural Mineral Dead Sea Waters Therapy In Various Rheumatic Diseases
Sanaa Arab, Asia Alshikh | 194-197 |
| 26 | Feeding Potential of Seven Spotted Ladybeetle, <i>Coccinella septumpunctata</i> (Linnaeus) on Mustard Aphid, <i>Lipaphis erysimi</i> (Kaltenbach) and Cotton Aphid, <i>Aphis gossypii</i> (Glover)
Pushpendra K. Sharma and Prakash C. Joshi | 198-202 |

-
- | | | |
|----|---|---------|
| 27 | An Economic Study on the Red Meat in Arab Republic of Egypt
Yehia Mohamed Metaly, Karima Awad Mohamed and Haitham B. A. Hassan | 203-209 |
| 28 | Bio-removal of nitrogen from wastewaters—A review
Gaber Z Breisha | 210-228 |
| 29 | The effect of heat, direct sunlight and UV-rays on the stability of some chlopyrifos formulations and their content of sulfotep.
Ola.M.Y.Emara and Shereen , A.Abd-El-Aziz | 229-233 |
| 30 | Physiochemical properties of industrial effluents in Ibadan, Nigeria.
Segun Akanmu Adebisi and Kehinde Adenike Fayemiwo | 234-238 |
| 31 | Acylyated Flavonol Glycosides From The Flowers Of <i>Aconitum Violaceum</i> staph.
Suman Yadav and D. L. Verma | 239-243 |
| 32 | Bioefficacy of vapour effect of essential oil formulation from <i>Syzygium aromaticum</i> against <i>Callosbruchus maculatus</i>
Awojide, Shola H. and Fayemiwo, Kehinde A. | 244-249 |
| 33 | Withdrawn | 250-261 |
| 34 | Financial and Economic Analysis For Agricultural Projects (West Delta Irrigation Project Case)
Mahmoud A. Abd El Aziz; Karima Awad Mohamed; Alaa El Deien.M. Safaan and Haitham .B.Aly | 262-272 |
| 35 | Effect of organic and biofertilizers and magnesium sulphate on growth yield, chemical composition and fruit quality of "Le-Conte" pear trees.
M.I.F. Fawzi, .F.M. Shahin , Elham, A.Daood and E.A. Kandil | 273-280 |
| 36 | Effect of pruning, defoliation and nitrogen fertilization on growth, fruit set and quality of Abdel-Razik <i>Annona</i> cultivar
Mohamed F.M. Shahein , Elham Zinboum Abd El-Motty, and M. I. F. Fawzi | 281-287 |
